

Beachside High School Robotics Club - Bylaws

ARTICLE 1: Name

The name of this chapter shall be the "Beachside Robotics Club".

ARTICLE 2: Purpose

The purpose of the Beachside Robotics Club is to provide students hands on experiences and opportunities in technology and engineering, focusing on innovation, problem solving, computer-aided design, teamwork, and competition. Our goal is to inspire young people in our community to explore various careers in STEM fields.

ARTICLE 3: Membership

Section 1. Membership Eligibility

Membership is open to all students currently enrolled at Beachside High School in good standing who have an interest in technology, programming, engineering, or the FIRST Tech Challenge competitions regardless of skill or experience.

Section 2. Admission Requirements

Behavior in and out of school is aligned with the student code of conduct.

Section 3. Termination of Membership

Members who do not meet behavioral expectations as outlined in the student code of conduct may have their membership revoked, forfeiting all rights and privileges, as well as any money collected for club membership and activities.

Section 4. Membership Privileges

- I. **Programming:** Responsible for coding the robot and its controls. Requires considerable time for calculations and adjustments as well as knowledge in computational thinking. Block coding is used in programming our robots.
- II. **Engineering:** Responsible for creating and ensuring the robot functions as expected. Requires assembling and disassembling the robot as well as working with CAD (Computer-Aided Design) programs to create and model 3D objects that are needed for the robot.
- III. **Social Media/Advertising:** Create digital documents on the different subgroups within the team. Takes photos and tracks initial plans and results. Manage social media to promote the club, not only to build its reputation but also to attract potential sponsors. Document/take photos and videos to post, including recording reels.
- IV. **Planning:** Plan and execute fundraising activities effectively. Gather information on costs of hardware, day trips, and food.

Section 5. Elected Officers

The positions of President, Vice President, Treasurer, Events Coordinator, and Secretary-Historian shall be elected annually in May. If additional officer positions are created, their first election shall be held in September, and in May of each subsequent year.

- I. **President:** Must manage the team and club overall, communicate with the advisor to execute plans, create yearly plans and help historian manage the team's social media accounts, oversee lessons for programming, and be the team leader of the subgroup: Programming.
- II. **Vice-President:** Must review and organize plans, conduct research about the current year's activities, collaborate with the advisor, president, and treasurer for the budget, act as temporary president if needed, oversee electrical

engineering lessons for robotics, and be the team leader of the subgroup: Engineering.

- III. **Secretary-Historian:** Must take attendance every meeting and record the agenda of each meeting, note the progress of the team and track the participation of team members, plan the agenda of every meeting, create the documentation and reports for sponsors and competition, and be the team leader of the subgroup: Social Media/Advertisement.
- IV. **Treasurer:** Must collaborate with the secretary-historian on fundraising plans., manage all team income and budget, ensure sufficient funds are saved, work with the vice president, president, and advisor on the budget, grants, and sponsors, and organize end-of-year recognition for club members: cords for seniors, pins, and team t-shirts.
- V. **Events Coordinator:** Must work alongside the president, vice president, and treasurer, as well as the club sponsor, to coordinate events and the budget. Must be the team leader of the subgroup: Planning.

Elected officers will be removed from office if they are not performing their duties, as consistent with the purpose of this club, or if they violate any of the requirements in section 2.

Section 6. Dues and Fees

Each member will pay dues in the amount of \$25. All dues shall be paid by the third meeting. Failure to pay dues will result in denied membership. Students who have a financial hardship may speak with the club sponsor for assistance.

ARTICLE 4: Meetings

- I. The club will meet regularly to maintain the effectiveness of the club.
- II. Meetings will take place every Thursday from 8:45 a.m. to 9:30 a.m. in room 4-007.

ARTICLE 5: Dissolution of Club

Should the club disband, any funds remaining in the club account shall be deposited into the general fund.
